# **Writeup: Homework #2**

Malcolm Riley

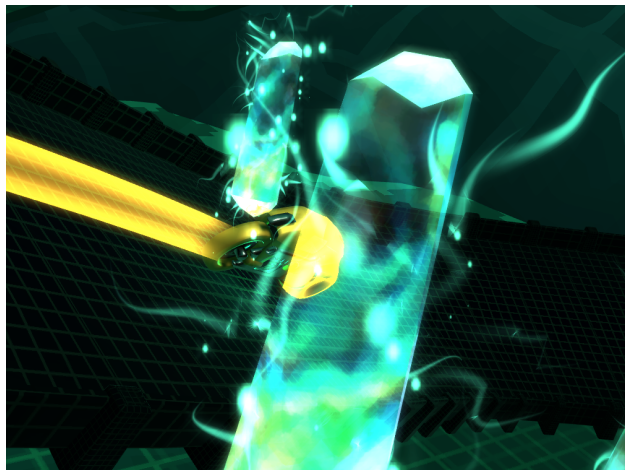

May 12, 2019

---

## **Introduction**

As with the previous assignment, all subtasks of this assignment have been implemented as a single Unity Scene. No third-party Unity packages were used to create this scene. All code and scene assets including models and sounds were created by myself for the purpose of this assignment.

## A. Tron Filter

## B. Outdoor 3D Scene
